

The Imperial Advantage

Customer Focused. Technology Driven.

Product Offering

Over 1.7 million fleet maintenance & shop supplies.

Dedicated Account Advisor

Provide technical information on Imperial products. Make the ordering process easy and convenient. Communicate new product arrivals. Aid in product returns.

Distribution Network

Innovative technology and strategically located distribution centers ensure on-time deliveries you can depend on.

Blocks & Converts

Ensure critical purchasing decisions are made at the Corporate level.

Product Programs

Customized programs designed to cut costs at the shop level.

eCommerce

Options for ordering and managing your inventory.

Auto-Reorder

Ensure the Imperial products you use most often are on hand when you need them.

File Import

Quickly upload spreadsheet files into an order.

App & Mobile Scanner

Access and purchase over 150,000 products on mobile devices. Easily scan any Imperial barcode to your order. See detailed product information and complete purchases conveniently while on the go.

ScanTel® Purchasing System

Imperial removes the influence of the commissioned route sales agent and provides a user-friendly, efficient way to purchase quality maintenance repair parts.
