O'Reilly Auto Parts started as a single-store, family operated parts supply house in 1957. The original 13-member team committed themselves to offering the best customer service in town with a special focus on the wholesale market. Their dedication to the professional helped set the stage for how O'Reilly Auto Parts would grow to be one of the largest aftermarket parts suppliers in the United States.

Now with over 59 great years under our belt, our philosophy hasn't changed. Our dedication to the Professional market has never been stronger. We've adapted to your changing needs and continue to offer an unbeatable combination of services to the professional—all designed with your shop's success in mind. Give us a chance to show you what our Professional Services can do for your business. We guarantee you'll be impressed.
